REMARKS

Applicants have made appropriate non-substantive amendments to the claims in accordance with the Examiner's comments, correcting inadvertent typographical type errors. No new matter has been added.

As stated in the Office Action, "Claims would be allowable if rewritten or amended to overcome the rejection(s) under 35 USC 112, 2n paragraph, set forth in this Office action." Applicants have made the indicated amendments and therefore request that a Notice of Allowance now be issued in this case.

Respectfully submitted,
